Thanks to your past donations;

Did You Know????

Southside Preservation Hall welcomes THOUSANDS of people each year to its facility.

By the numbers:

- The average attendance for Buddy's Big Band is **200** at each First Fridays' performance.
- We welcome over **4800** Swing Dancers for Tuesday night lessons each year.
- We have well over 150 weddings and other events each year!

We appreciate your support! However, we ask for your continued and additional support in helping us achieve our mission of preservation. As some may know, we are restoring the little cottage across the street from the Hall both to beautify the view from our own location and to sell it and invest the proceeds in further restoration of the Hall. We are also making plans to start replacing missing wood windows on the 1922-era three story addition to our building and paving out back parking lot.

Please help us by making a donation to the Hall. We are a 501(c) (3) non-profit organization and all donations are tax-deductible.

OUR MISSION STATEMENT: Southside Preservation Association has been formed to preserve and restore historic Southside Preservation Hall, a multicultural community-based resource center providing educational, cultural and social activities for the community. Proceeds of classes and other activities support the continued preservation and restoration of Southside Preservation Hall. In addition, Southside Preservation Association commits to be a leader in restoration and preservation in the community.
